

The Brenchley Allergen Menu

Interpreting Allergen Data

All allergen details on the following chart has been derived from the specification we have recieved from our suppliers.

If you could please inform our staff of your allergies prior to your order being placed so that all precautions can be taken in our kitchen to ensure that any risk of cross-contamination is minimised. We would like to assure you that at The Brenchley, we take all neccessary precautions to minimise the risk of cross contamination in our kitchen. However we cannot guarantee that all our products will be free from any cross-contamination, especially regarding our deep fried foods, due to the nature of cooking them.

KEY TO CHART

Does Not Contain

Our supplier informs that the allergen is not present in the products used for this meal.

May Contain

The product is present in the manufacturing site/factory/supply chain and our supplier believes there is a significant risk this allergen could cross-contaminate the food.

Contains

The product contains that allergen and is therefore not suitable for customers with this allergy.
